VENDOR APPLICATION INSTRUCTIONS

RHINEBECK

JUNE 10th to 12th, 2011

<http://rhinebecknationalmeet.com/vending.html>

The following information is provided to assist you in completing the application without direct assistance. **Please read the complete instructions.** If the application is not complete, it may delay processing (another vendor may get the space you want). If you need assistance or have any questions, you may contact the Vending Committee at 845-418-2010 or e-mail us at vendors@rhinebecknationalmeet.com.

General: There are NO CHANGES to vending spot identification, size, or price in 2011. All outdoor spaces have a minimum of 500 square feet. Some spaces back up against fences, but many have unallocated easement space behind them. The dimensions and specific details for each space are available on the web site (or phone).

1. Vending spaces are divided geographically as a Priority 1 Vendor Space or an Area 2 Vendor Space. These designations are intended ensure that Vendors remain for the entire meet if they are using the "prime real estate." The Area 2 Spaces are still good spaces, but are in areas that make it safer for Vendors to leave Saturday evening if desired. A Vending Space map is enclosed (you may use it to identify the specific spaces or area you are requesting and include it with your application). The Priority 1 Vendor Space Area is "all of Blue Field, all of Red Field, all Green Field Spaces along the main road starting at the main gate to Fair Cross Way, Pavilion 101-111, and all Indoor Spaces."
2. You **MUST** supply proof of current AMCA membership for yourself and for anyone else for whom you seek a Vendor's Vehicle Pass: According to the Rules for Vendors, only one Vehicle Pass will be issued per spot and a maximum of two Vendor's Tickets per vehicle will be issued. These Passes/Tickets may only be given to individuals listed with your application that you certify will be working on your behalf in your spots.
3. Include your Company name - if applicable.
4. Please provide a basic description of your intended merchandise (see Rules for restrictions on merchandise).
5. You must provide a complete mailing address so we can send you your registration package and related documents.
6. If you have an e-mail address, please provide that as well, since it may be faster and cheaper to communicate with you as needed.
7. Please let us know what type of vehicles you're bringing and how long they are. Some spots are not good for big rigs, while others are fine.
8. You must provide at least one telephone number so we can contact you with any questions.
9. Each Standard Space will be at least 500 sq. ft. Some may be slightly larger due to obstacles or terrain.
10. Due to unique obstacles and terrain in some areas of the Fairgrounds, as well as specific Vendor requests, some spaces may only be reserved as a single contiguous block of spaces.
11. There are over 120 indoor 10'x10' spots marked off inside Buildings B and C. These spots can be combined to create a larger space for Vendors requiring space inside. First spot will be \$20. Each adjoining spot will be \$15 [e.g. a 10'x60' would be \$20 + (5 x \$15), or \$95.00].
12. There are eight covered "Pavilion" Spaces next to Building E. These Spaces have electricity, lighting, and water. These are \$65 each.
13. You can pay for advertising in the official program with your application, but it is best to coordinate and pay for advertising by contacting the Advertising Committee at advertising@rhinebecknationalmeet.com.
14. If you are not an AMCA member or you need to join or renew your membership before the Meet, you may do so instantly online at <https://secure.cornerstonereg.com/amca/newmember.asp> (from there, you can also download, print, and complete an application). If joining online, please include with your Vending Application a printout of your confirmation e-mail (it will contain your AMCA number). Alternatively, you may include an AMCA application with your Vending Application and we will forward it, and the \$30 fee you include, to AMCA on your behalf.
15. **Please do not include any fees for camping or electricity** (payment for camping/electricity is made directly to the Fairgrounds).
16. The preferred method of payment is by check or money order. Electronic payment by PayPal is now possible, but PayPal charges us for such payments (about 4%), so please contact us at vendods@rhinebecknationalmeet.com to receive instructions and the amount to pay.
17. Please do not mail cash.
18. If you would like mail confirmation that your application has been processed, please include a self-addressed and stamped return envelope.
19. **Important Deadlines:** You may specify your requested spot using Field Color AND Spot numbers. All requests are first-come/first-serve. HOWEVER, if you were a Vendor in 2010, we will "pencil in" your same space in for 2011 but will release it according to the following deadlines:
 - **February 28, 2011:** Deadline for receipt of 2011 Vendors registration and payment to get assigned the same spaces as 2010.
 - **After February 28, 2011,** all Vending Spaces will be assigned on a first-come/first serve basis after receiving a paid application.
 - **May 6, 2011:** Deadline for Pre-registration (registrations received after this date will pick up materials at the Vendor Check-in Tent).
 - **May 6, 2011:** Deadline for Cancellation (requests for refunds after this date will be evaluated on a case-by-case basis).
 - **May 14, 2011:** Vendor packets will be mailed to all pre-registered vendors with everything needed to drive in without delay.
