

VENDOR REGISTRATION

**Rhinebeck AMCA National Meet
Duchess County Fairgrounds
June 13-15, 2008**

I understand that flea market vending is a privilege extended to members of the AMCA and by signing this vendor registration I agree to abide by all the AMCA rules pertaining to vending. All vendors must be current AMCA members or must pay annual dues before vending. Merchandise offered for sale is restricted to motorcycles, motorcycle parts, literature, accessories and other specifically related items and be at least 35 years or older. Failure to comply with the rules may result in termination of meet privileges and possible expulsion from membership in the AMCA.

For the vending fee of \$50.00 per space, it is my right to use the facility to sell my wares. I agree that I am familiar with all the New York State Sales Tax rules. If any tax from my sales is due to the state, county, city or other taxing authority, I will collect the same, file all reports necessary, remit the tax accordingly and hold the AMCA harmless from any and all liabilities that may occur if I do not comply.
